Please register _____ for the checked 2nd Semester Classes.

I understand that our commitment is for the entire session through May and may be paid monthly.

I also understand that no students may be dismissed before 4:30, and that if there is an appointment or need to leave early, that I will pick up my child at 3:00 p.m., as there would be no other coverage...and notify the office in writing at the beginning of the day regarding that change so they can be ready for dismissal.

I also understand that any absences cannot be reimbursed financially as the staff are contracted in advance for the program and the enrolled students.
