### TIME FLIES WHEN YOU'RE HAVING FUN!

Can you believe it is the end of the year already? It is amazing to see how far the students have progressed academically, behaviorally, and socially. From the facts that they've learned to the friendships that they've made, they should all be very proud of themselves. We are!!

We would like to wish everybody a *safe* and *happy* summer!

***Our fantastic summer program still has openings.
