

HOLIDAY GIFTS

One of the fun things we do with the children each year is to help them make and wrap their gifts for Mom, Dad, Grandparents, relatives.....etc. so they will have something to put under the tree. We still see you wearing some of their treasures from time to time. They are beautiful.

We will begin making things this week, so please return your order forms right away, as some items take a couple of days to make.

Cost: \$5 per gift
