Buzzing Rocks

Get your very own "Buzzing Rocks" at our EARTH ENERGY FAIR. These are hematite rocks that have been magnetized, so that when you throw them up in the air, they pull together and buzz all the way down!

VERY COOL!

Send \$5 back with this form in an envelope
and we will have a set ready for you to play with at the FAIR

Please save a set of Buzzing Rocks for _____
We have enclosed \$5 with this form.
